RESPONSE TO OFFICE ACTION

This paper is herewith filed in response to the Examiner's final Office Action mailed on 24 November 2007 for the above-captioned U.S. Patent Application and in response to a teleconference with the Examiner. This Response is filed within the shortened statutory period and it is believed that no extension of time is due. However, should the undersigned attorney be mistaken, please consider this a petition for any extension of time that may be required to maintain the pendency of this Patent Application, and charge deposit account no.: 50-1924 for any required fee deficiency.

No claim amendments are made.
